YAMATO: The Drummers of Japan is a globally touring troupe based in Asuka-mura Nara Prefecture, a place well known by Japanese people as the hometown of Japan.

YAMATO's productions incorporate over 40 Taiko drums of different characters, sizes, and sounds. Their expert musicians train their bodies to the absolute limit to beat these massive instruments. While the acoustic pressure far surpasses what one could imagine, the ensemble's acclaimed performances range from explosive percussion to delicate musical moments that offer a palette of meticulously crafted sound.
