

**Vouvray Blanc  
Brut C. Greffe**

This wine has a clear gold color with a complex nose of grilled almonds, white peaches, and citrus. It has pears, dried fruits and lime on the palate.

**2009 MacMurray  
Ranch Chardonnay**

With bright notes of oranges and spring flowers on the nose, this rich chardonnay has restrained oak contact bringing caramel and vanilla flavors, but the emphasis is on the lemony fruit.

**2010 Le Paradis  
Chinon Cab Franc**

This spicy red is ruby in color, and the nose has currant-like fruit which carries over to its complex flavor palate. It boasts licorice and rich red fruit accented with an herbal bouquet.

**2010 Macalan  
Dindarello**

With a straw-gold color and aromas of grapefruit, rose petal and sweet spices, this is a fresh and clean Moscato. It turns syrupy-sweet with ripe tropical fruit flavors and has a long, slightly bitter finish.
